

Cry Me a River

Olivia Newton-John

Now you say you're lonely
You cried the whole night through
Well, you can cry me a river, cry me a river
I cried a river over you Now you say you're sorry
For being so untrue
Well, you can cry me a river, cry me a river
I cried a river over you You drove me, nearly drove me out of my head
While you never shed a tear
Remember, I remember all that you said
Told me love was too plebeian
Told me you were through with me And now you say you love me
Well, just to prove you do
Come on and cry me a river, cry me a river
I cried a river over you
