Sick Kid

Pariah

(David Derrick, Jared Tuten, Kyle Ellison, Sims Ellison, Shandon Sahm)
Psyched out paranoia something's wrong with me
I'll tell you a story I know how it feels
So grab yourself a bottle you've got yourself a friend
You think you got it made I'll tell you once again
[CHORUS]
Sick kid--you've dancing out of time
Move quick kid you're gettin' out of line
You're sick and you're scared
You're running out of time but I don't care, I don't care, I don't care
I've crashed blues alley, I've made the scene
I've run out of money and I know what it means
To be under the table, locked up inside
When I got my bottle it keeps me warm at night
[CHORUS]
I need help, I don't care, nothing's on my mind
Sick kid--you're dancin' out of time
Move quick kid you're getting out of line
You're sick kid--You're dancin' out of time, move quick
I told you one time, I'll tell you again--you're sick kid
You're dancin' out of time
You're dancin' out of time
Psyched out, freaked out, copped out, dropped out
Smacked out, jacked out, coked up, freak out
I don't care, I don't care, I don't care, no, no, no
