

Lean On Me

Bill Withers

Sometimes in our lives
We all have pain
We all have sorrowBut if we are wise
We know that there's
Always tomorrowLean on me, when you're not strong
And I'll be your friend
I'll help you carry onFor it won't be long
Till I'm gonna need
Somebody to lean onPlease swallow your pride
If I have things
You need to borrowFor no one can fill
Those of your needs
That you won't let showYou just call on me brother
When you need a hand
We all need somebody to lean onI just might have a problem
That you'll understand
We all need somebody to lean onLean on me, when you're not strong
And I'll be your friend
I'll help you carry onFor it won't be long
Till I'm gonna need
Somebody to lean onYou just call on me brother
When you need a hand
We all need somebody to lean onI just might have a problem
That you'll understand
We all need somebody to lean onIf there is a load
You have to bear
That you can't carryI'm right up the road
I'll share your load
If you just call meCall me
If you need a friend
(Call me)
Call me
(Call me)
If you need a friend
(Call me)
If you ever need a friend
(Call me)Call me
(Call me)
Call me

(Call me)
Call me
(Call me)
Call me
(Call me) If you need a friend
(Call me)
Call me
(Call me)
Call me
(Call me)
Call me
(Call me)
Call me
(Call me)
