

# Playing for Keeps

## Switchfoot

Do me a favor  
Would sing this to me slow?  
'Cause I'm thinking it's my songDo me a favor  
Would you tell me when to let go?  
'Cause I think I'm holding onWould you do it for me?  
Would you do it for me?  
'Cause I'm playing for keepsTell me tomorrow has come  
With open arms, open arms, open arms  
'Cause if you say it's time to move on  
Then I'll stop holding on, holding on  
If you say that it's time for moving on  
Yeah, time for moving on, yeahDo me a favor  
Would you tell me which way's up?  
'Cause I don't know where I fitDo me a favor  
Would you tell me when to stop?  
'Cause I don't know how to quitWould you do it for me?  
Would you do it for me?  
'Cause I'm playing for keepsTell me tomorrow has come  
With open arms, open arms, open arms  
If you say it's time to move on  
Then I'll stop holding on, holding on  
If you say that it's time for moving on  
Yeah, time for moving onDo me a favor  
Do me a favor  
'Cause I'm playing for keepsTell me tomorrow has come  
With open arms, open arms, open arms  
'Cause if you say it's time to move on  
Then I'll stop holding on, holding on  
If you say that it's time for moving on  
Yeah, time for moving on, yeah, time for moving on
