

Sucka for You

Kandi

I was a sucka for you
So crazy in love with you
But I'll be damned if I do
Nothin' else you want me to do 'Cuz I got played for a fool
And you know that wasn't cool
You made it harder for the brothas
'Cuz of you, I just don't trust 'em I thought it was all good, me and you
Sayin' that you my boo but neva knew
That you was doin' the doo
With every girl, givin' out hoochie-coo But now I find and it just blows my mind
That every time I said that you were mine
They were laughin' behind my back
And when I found out, I was so sad Then I said hold up, wait a minute
Slow down, turn around
Are you really gonna let this bull go down
Let him back now, I don't see how
When you know that he's gettin' around With every girl in town throwin' down
And everybody knows about it
Made it harder for the brothas
'Cuz of you, I just don't trust 'em I was a sucka for you
So crazy in love with you
But I'll be damned if I do
Nothin' else you want me to do 'Cuz I got played for a fool
And you know that wasn't cool
You made it harder for the brothas
'Cuz of you, I just don't trust 'em I thought I had turned you out
'Cuz you told me I was the fire
Neva knew that was just a line
That you said just to get my time You had me feelin' like such a fool
Because I gave you the booty too
You were playin' with my head
Just to get me in your bed So I said, hold up, wait a minute
Slow down, turn around
Are you really gonna let this bull go down
Let him back now I don't see how
When you know that he's gettin' around With every girl in town throwin' down
And everybody knows about it
Made it harder for the brothas
'Cuz of you I just don't trust 'em I was a sucka for you

So crazy in love with you
But I'll be damned if I do
Nothin' else you want me to do'Cuz I got played for a fool
And you know that wasn't cool
You made it harder for the brothas
'Cuz of you, I just don't trust 'emI was a sucka for you
So crazy in love with you
But I'll be damned if I do
Nothin' else you want me to do'Cuz I got played for a fool
And you know that wasn't cool
You made it harder for the brothas
'Cuz of you I just don't trust 'emI was a sucka for you
So crazy in love with you
But I'll be damned if I do
Nothin' else you want me to do'Cuz I got played for a fool
And you know that wasn't cool
You made it harder for the brothas
'Cuz of you I just don't trust 'emI was a sucka for you
So crazy in love with you
But I'll be damned if I do
Nothin' else you want me to do
