

# New York City Rhythm

Barry Manilow

(City rhythm, ooh, city rhythm, ooh, city rhythm, ooh) When my heart (city rhythm) is torn apart (ooh)  
By the love I wish I had  
Well, I spend my (city rhythm) nights in the city's lights (ooh)  
And things don't seem so bad Ya know the movement seems to soothe me  
And the tempo takes control  
And I lose my blues  
When the New York City rhythm fills my soul  
It's the New York City rhythm runnin' though life (city rhythm)  
The poundin' beat of the city streets that keeps my dreams alive I'm lost (I'm lost), I'm found (I'm found)  
I'm up (I'm up), I'm down, (I'm down) but somehow I survive  
It's got to be the New York City rhythm in my life  
Oh, it's got to be the New York City rhythm in my life, in my life (City rhythm, ooh, city rhythm, ooh, city  
rhythm, ooh, city rhythm, ooh) When I'm out (city rhythm) for love or sin (ooh)  
Oh, it's good to be in town  
In the funky (city rhythm) dives on the old west side (ooh)  
There's always somethin' goin' down  
Yes, I live my life with strangers  
And the danger's always there  
But when I hit Broadway and it's time to play  
You know that I don't care It's the New York City rhythm runnin' through' my life (city rhythm)  
The poundin' beat of the city streets that keeps my dreams alive  
I'm lost (I'm lost), I'm found (I'm found)  
I'm up (I'm up), I'm down, (I'm down) but somehow I survive  
It's got to be the New York City rhythm in my life  
Oh, it's got to be the New York City rhythm in my life, in my life (City rhythm, ooh, city rhythm) Nueva York,  
Nueva York, Nueva York  
Nueva York, Nueva York, Nueva York, Nueva York, Nueva York  
Nueva York, Nueva York, Nueva York, Nueva York (City rhythm ooh, city rhythm) New York City yeah (ooh,  
city rhythm, ooh)  
(City rhythm) New York City yeah (city rhythm, ooh)  
(City rhythm) New York City yeah (city rhythm, ooh)
