Don't Touch the Fader

Monrose

Nobody said this club is closing
Too many hipsters on the dance floor vogue-ing
Too many blue jeans standing on the outside ringWatch me now
Watch my body twisting
Forget yourself - nobody's watching
And let the heavy rhythm guide you
Let it help you swingDon't touch the fader, DJ, don't touch the fader
Don't stop the beat, keep on the accelerator
Keep it up, keep it up, keep it up for me
Don't touch the fader, DJ, don't touch the fader
Don't stop the beat, keep on the accelerator
Keep it up, keep it up, keep it up for meThe fashionistas in the tight washed
The pop boys popping in the neons (dance)
Too many people so we rock upon the outside ringThe speakers speak into my body
The rhythm sneaking up and trough me
We gotta 'lotta getting down to do
Are you with me?Don't touch the fader, DJ, don't touch the fader
Don't stop the beat, keep on the accelerator
Keep it up, keep it up, keep it up for me
Don't touch the fader, DJ, don't touch the fader
Don't stop the beat, keep on the accelerator
Keep it up, keep it up, keep it up for meKeep it up, getting down
Keep it up, getting downDon't touch the fader, DJ, don't touch the fader
Don't stop the beat, keep on the accelerator
Keep it up, keep it up, keep it up for me
Don't touch the fader, DJ, don't touch the fader
Don't stop the beat, keep on the accelerator
Keep it up, keep it up, keep it up for meDon't touch the fader, DJ, don't touch the fader
Don't stop the beat, keep on the accelerator
Keep it up, keep it up, keep it up for me
Don't touch the fader, DJ, don't touch the fader
Don't stop the beat, keep on the accelerator
Keep it up, keep it up, keep it up for me
