

You Hold My Woman

Hill Country Revue

You hold my woman
You hold my girl
You was holdin' my woman
You was holdin' my girl You was in my house
You ate my food
Even held my kids
But you hurt me too You was holdin' my woman
You was holdin' my girl
You was holdin' my woman
You was holdin' my girl I wonder why
Treat me this way
You did me wrong
That's why I pray You was holdin' my woman
You was holdin' my girl
You was holdin' my woman
You was holdin' my girl It was my own fault
That's why I should of
Never let you in
So you could get to her You was holdin' my woman
You was holdin' my girl
You was holdin' my woman
You was holdin' my girl You was holdin' my woman
You was holdin' my girl
You was holdin' my woman
You was holdin' my girl Holdin' my woman
Holdin' my girl
