A Place For My Head

LINKIN PARK

I watch how the moon sits in the sky in the dark night
Shining with the light from the sun
And sun doesn't give light to the moon assuming
The moon's gonna owe it oneIt makes me think of how you act for me
You do favors then rapidly
You just turn around and start askin' me about
Things that you want back from meI'm sick of the tension, sick of the hunger
Sick of you acting like I owe you this
Find another place to feed your greed
While I find a place to restI wanna be in another place
I hate when you say you don't understand
(You'll see it's not meant to be)
I wanna be in the energy, not with the enemy
A place for my headMaybe some day I'll be just like you
And step on people like you do
And run away all the people I thought I knew
I remember back then who you wereYou used to be calm, used to be strong
Used to be generous, you should have known
That you'd wear out your welcome and now you see
How quiet it is all aloneI'm so sick of the tension, sick of the hunger
Sick of you acting like I owe you this
Find another place to feed your greed
While I find a place to restI'm so sick of the tension, sick of the hunger
Sick of you acting like I owe you this
Find another place to feed your greed
While I find a place to restI wanna be in another place
I hate when you say you don't understand
(You'll see it's not meant to be)
I wanna be in the energy, not with the enemy
A place for my headYou try to take the best of me, go away
You try to take the best of me, go away
You try to take the best of me, go away
You try to take the best of me, go awayYou try to take the best of me, go away
You try to take the best of me, go away
You try to take the best of me, go away
You try to take the best of me, go awayI wanna be in another place
I hate when you say you don't understand
(You'll see it's not meant to be)
I wanna be in the energy, not with the enemy

A place for my head
Shut up!I am so sick of the tension
(Stay)
Sick of the hunger
Sick of you acting like I owe you this
(A)
Find another place to feed your greed
While I find a place to restI'm so sick of the tension
(Way)
Sick of the hunger
Sick of you acting like I owe you this
(Stay away from me)
Find another place to feed your greed
While I find a place to rest
