

# Spellbound

Paula Abdul

Why does it hurt so  
I'm wrapped in your love and I don't wanna be undone  
Why does love hurt so? How do you just know?  
How to get to me baby? Words aren't only words  
When from you they're heard  
When you say, you really love me  
Maybe it's a trick, something doesn't click  
Maybe it's a spell, that you've got me under  
Somethings going down, turn my world around  
I woke up and I found, I was spellbound  
So wicked  
And your prison  
Feels good so  
Your kisses  
Against my wishes  
I wouldn't help it if I could  
Metaphysical more than visual  
You touch the heart of me  
Night turns in to day, shadows fade away  
When you say you, really love me  
Maybe it's a trick, something doesn't click  
Maybe it's a spell, that you've got me under  
Somethings going down, turn my world around  
I woke up and I found, I was spellbound  
So wicked  
And your prison  
Feels good so  
Your kisses  
Against my wishes  
I wouldn't help it if I could  
So  
So wicked  
And your prison  
Feels good so  
Your kisses  
Against my wishes  
I wouldn't help it if I could  
I hope I hope it's not a scheme, why you?  
How do I know it's not just a game?  
You are such a player, but you know  
How to get direct to my heart  
Do I have to put you in?  
Maybe it's a trick, something doesn't click  
Maybe it's a spell, that you've got me under  
Somethings going down, turn my world around  
I woke up and I found, I was spellbound  
So

So wicked  
And your prison  
Feels good so  
Your kisses  
Against my wishes  
I wouldn't help it if I couldSo wicked  
So wicked  
So wickedSo  
So wicked  
And your prison  
Feels good so  
Your kisses  
Against my wishes  
I wouldn't help it if I couldSo  
So wicked  
And your prison  
Feels good so  
Your kisses  
Against my wishes  
I wouldn't help it if I could
