

# Happy

## Lit

It wouldn't be so bad  
If I can take a good thing and make it last  
Money for the rent  
Time that I spent, me and my girlfriend  
My heart is broken down again  
'Cuz I blame it on myself  
It wouldn't be so bad  
If I can take a good thing and make it last  
Money in the bank  
Gas in my tank, me and my girlfriend  
I'm crawling through the crowd again  
And I'm lookin' for myself  
It makes me mad  
'Cuz I wanna be happy so bad  
It makes me mad  
'Cuz I wanna be happy so bad  
You don't even care  
Steppin' out  
Take it in  
Startin' over again  
Fallin' out  
Startin' over  
It makes me mad  
'Cuz I wanna be happy so bad  
It makes me mad  
'Cuz I wanna be happy  
It makes me mad  
'Cuz I wanna be happy so bad  
It makes me mad  
'Cuz I wanna be happy so bad  
(It makes me mad)  
I wanna be happy so bad  
(It makes me mad)  
I wanna be happy so bad
