

# Misfit

Amy Studt

So you think you got it all worked out  
You got your hot pants on  
You got your arse right out, you  
Think that you are something new and special  
And me and my drab-dress, we won't do at all  
Spent so long tryin' to fit the prototype  
I kept slippin' in the heels and I never got it right  
What's the use? What's the point?  
You've got the wrong girl, oh  
So keep doing what you're, doing down there  
'Cause I'll be flying higher, waste your own time  
I don't care, anything you can do, I can do better  
All you girls, you look  
And flip your hair and wonder  
Why I'm still here, well, you're superficial  
I'm a misfit, but, baby, that's okay  
All you girls, when you look into the mirror  
Tell me how do you appear, well  
You're superficial, I'm a misfit  
You're superficial, I'm a misfit  
(Ah)  
But that's okay  
So you got your little groups and gangs  
You got your VIP  
Your member-only things  
Your happy-clappys and your VC crew  
And if you get in their way, they got 10 on you  
And I don't wanna be in that game  
Don't wanna follow the leader, no way  
What's the use? What's the point?  
You've got the wrong girl  
So keep doing what you're doing down there  
'Cause I'll be flying higher, waste your own time  
I don't care, anything you can do, I can do better  
All you girls, you look  
And flip your hair and wonder  
Why I'm still here, well, you're superficial  
I'm a misfit, but, baby, that's okay  
All you girls, when you look into the mirror  
Tell me how do you appear, well  
You're superficial, I'm a misfit  
You're superficial, I'm a misfit  
You're superficial, I'm a misfit  
So what we don't look the same?  
So what we don't, so what we don't  
So what I don't play your game?  
So what I don't, so what I don't  
So what if I don't? All you girls, you look  
And flip your hair and wonder

Why I'm still here, well, you're superficial  
I'm a misfit  
(Misfit)  
But, baby, that's okay All you girls, when you look into the mirror  
Tell me how do you appear, well  
You're superficial, I'm a misfit  
(I'm a misfit)  
You're superficial, I'm a misfit All you girls, you look  
And flip your hair and wonder  
Why I'm still here, well, you're superficial  
I'm a misfit, but, baby, that's okay All you girls, when you look into the mirror  
Tell me how do you appear, well  
You're superficial, I'm a misfit  
You're superficial, I'm a misfit  
You're superficial, I'm a misfit  
But that's okay
