

Nobody Not Really (Interlude)

Alicia Keys

Who really cares? Who really cares?
When I talk, what I feel
What I say
Nobody not really Who wants to take, the time to understand
I would like someone to heal me with some empathy
But I can't find
Nobody not really Maybe I'm invisible to the world
Does anyone in the world even think of me?
As more than just a hopeless cause
Maybe the world is not my block My stoop, my life
My dreams, my anything, anything
