

Alive

Enrique Iglesias

Come on!
It is you and me...
I see you standing there
And I'm watchin' every move you make
I'm just waiting for the moment to..walk up to you..and tell the truth
You will understand
Something about you makes me lose control
Takes my breath into another world
Where you touchin' me and you can't let go
I see you standin'
Across a floor
I'm comin' to ya..to ya..to ya....
Baby I.... I'm gonna make you feel alive
Ohh..I'm standin' right in front of you.. all you have to do
Is see it..see it..see it..
Baby I....You know I make you feel alive
Ohh..Love's right in front of you.. all you have to do
Is see it..see it..see it..
Sometimes I try to find
A million reasons not to be with you

Now you are way deep inside of me
And it makes me weak
Ohh I just can't breathe
I see you dancin'
On the floor
I'm comin to you..to you...to you...
Baby I.... I'm gonna make you feel alive
Ohh..I'm standin' right in front of you.. all you have to do
Is see it..see it..see it..
Baby I....You know I make you feel alive
Ohh..Love's right in front of you.. all you have to do
Is see it..see it..see it..
I make you feel alive
Baby I (Baby I..).... I'm gonna make you feel alive (Gonna make you feel alive..)
Ohh..I'm standin' right in front of you.. all you have to do
Is see it..see it..see it..
Baby I...I...!You know I make you feel alive (Somethin's wrong with you baby..)
Ohh..Love's right in front of you (You're not gonna feel).. all you have to do (You're not gonna feel.. so alive)

see it..see it(So alive)..see Æt..
