

Looking for Space

John Denver

On the road of experience trying to find my own way
Sometimes I wish that I could fly away
When I think that Im moving then suddenly things stand still
Im afraid cause I think they always will And Im looking for space and to find out who I am
And Im looking to know and understand
Its a sweet, sweet dream, sometimes Im almost there
Sometimes I fly like an eagle, sometimes Im deep in despair All alone in the universe, sometimes thats how it
seems
I get lost in the sadness and the screams
Then I look in the center, suddenly everythings clear
I find myself in the sunshine and my dreams And Im looking for space and to find out who I am
And Im looking to know and understand
Its a sweet, sweet dream, sometimes Im almost there
Sometimes I fly like an eagle and sometimes Im deep in despair On the road of experience join in the living day
If theres an answer its just that its just that way When youre looking for space and to find out who you are
When youre looking to try and reach the stars
Its a sweet, sweet, sweet dream, sometimes Im almost there
Sometimes I fly like an eagle and sometimes Im deep in despair Sometimes I fly like an eagle, like an eagle, I go
flying high, ooh
