

Like It or Not

Newham Generals

All the way from Athens, the A-T-L shawty
[Bubba Sparxxx]Uhh, Sleepy Brown
Uhh, Bubba Sparxxx
We gon' keep doin it baby
Whether you like it or not.. uhh
[Chorus: Sleepy Brown + (Bubba)]Ain't a damn thang pretty
From dirt roads to the city, uhh
(You might catch me drunk in the pub)
(Or either crunk in the club)
WHETHER YOU LIKE IT OR NOT
Don't matter where I hang
People love my twang, uhh
(Call us country or Southerners mayn)
(We gon' keep doin our thang)
WHETHER YOU LIKE IT OR NOT
[Sleepy Brown]Rollin up +So Fresh, So Clean+
Wood grain, big screen TV's
Uhh, I got the bump-bump in my trunk now
Uhh, I'm 'bout to, I'm 'bout to funk
Now all the ladies seem to like my style
Guess I'll be here for a while, mmm
To see who wants to come and be with me
I'll take you back to the flat so I can show you where it's at, c'mon
Ohh, wee - look at me
Movin 'cross the floor so easily
Oh, my, can't deny
This funk starts high in the sky
I'm 'bout to get my groove on
Uhh, I'm 'bout to bust a move on 'em
Uhh, there's no-thing you can do for 'em
Uhh, cause I'm checkin the spot if you really like it or not
[Chorus][Bubba Sparxxx]I know you hate it, I'ma say it to you anyway
I'm 'bout to throw them 24's on that Escalade
Still I got the Mickey T's on the Chevrolet
Z-7-1, the mere sight'll take your breath away
It's today but I'm still on it like it's yesterday
Throw me the ball, this the game that I was bred to play
And pass the cooler with this stewardess named Desire
