Isn't It Amazing

Mark Farner

Rain...Rain, Won't ya please go away...
Save all your grey skies for another day,
I've had my share of all your trials and tears
I've found someone new who'll make them all dis-appear
Suddenly they've all dis-appeared

Isn't it amazing what a prayer can do...
When it all seems hopeless it'll pull ya through,
And isn't it amazing how a broken heart grows strong
When every now-and-then that special someone comes along

Sun-Shine, your an old friend of mine
Haven't seen you 'round here for a long, long time
It feels so good to have your face shinin' down
Giving me strength to help me carry on...
Helping me to carry on...

Hey-Hey...Isn't it amazing what a prayer can do
When it all seems hopeless it'll pull ya through,
And isn't it amazing how a broken heart grows strong
When every now-and-then that special Someone comes along

I admit that there were times when the whole world seemed to turn away...
The clouds rolled in, and the rain came down...
For the first time in my lifetime I prayed.
I got down on my knees.....Ooawww

Isn't it amazing what a prayer can do
When it all seems hopeless it'll pull ya through,
And isn't it amazing how a broken heart grows strong
When every now-and-then that special Someone comes along...

Every now and then....
Someone....
Comes along...along...along

Isn't it amazing how a broken heart grows strong...when every now and then that special Someone comes along...
...what a prayer can do...Ooooo....It'll pull ya through
And isn't it amazing how a broken heart grows strong when every now and then that special Someone.....comes

along...

Amen!
