

Ocean

Boy Kiss Girl

Oooooooooh Oooooooooh
I was waiting my whole life
And I thought I've lost my mind
Cause I need you by my side
To see the ocean in your eyes
Oooooooooh (he) Oooooooooh
I was waiting my whole life
And I thought I've lost my mind
Cause I need you by my side
To see the ocean in your eyes
I was waiting my whole life
And I thought I've lost my mind
Cause I need you by my side
To see the ocean in your eyes
Oooooooooh (he) Oooooooooh
I was waiting my whole life
And I thought I've lost my mind
Cause I need you by my side
To see the ocean in your eyes
I was waiting my whole life
And I thought I've lost my mind
Cause I need you by my side
To see the ocean in your eyes
(he) (he) (he)
I was waiting my whole life
And I thought I've lost my mind
Cause I need you by my side
To see the ocean in your eyes
