New Edition(Ricky)
Oh baby, yeah
No, no, no, no, no
Say it's been so long(Ralph)
And it feels like it was yesterday
but now we're to stay
See we rock this way every time we hit the stage
Aain't nothing change
See it's all the same
when we start the show
(Ricky)
Everywhere we go people sow us love
just can't get enough in 2003
It's only a new gain come around our way
all we wanna do is spread love(Chorus)
It has been so long
And we can't let you down
It has been so long(Johnny)
We won't ever stop
doing what to do
And that giving you
something that you can feel
So don't you ever doubt
cause we gon turn it out
And bring down the house
and we only just begun
We rock from town to town we always put it down
we only wanna see you out your seat no sitting down
So people gather round to hear that NE sound
we got love for all of you(Chorus)How can we let y'all know know that we
we just can't let this go
Music is our love
can't stop it now ain't no other way
Way for us to go
keep on giving love

Put your hands in the sky
If you wanna fly on a natural high
It's been so long since we got it on
can't you se we're in it for the long run(Chorus) (3x)
