

Evergreen

Will Young

Eyes, like a sunrise,
Like a rainfall down my soul.
And I wonder, I wonder why you look at me like that, what you're thinking, what's behind
Don't tell me but it feels, like, lo-o-ove.

I'm gonna take this moment
And make it last forever
I'm gonna give my, heart away
And pray we'll stay together
'Cause you're the one good reason
You're the only girl, that I need
'Cause you're more beautiful then I have ever seen,
Oh yeah
I'm gonna take this life and make it evergreen

Touched, like an angel
Like a velvet to my skin
And I wonder
I wonder why you want to stay the night
What you're thinking what's behind
Don't tell me but it feel
Li-I-ike lo-o-o-ove

I'm gonna take this moment
And make it last forever
I'm gonna give my, heart away
And pray we'll stay together
'Cause you're the one good reason
You're the only girl, that I need
'Cause you're more beautiful then I have ever seen,
Oh yeah
I'm gonna take this life and make it evergreen

We can make it last for evermore
Don't tell me but it feels like love
Oh

I'm gonna take this
Take this moment, make it last forever
I'm gonna give you my heart away

And pray we'll stay together
'Cause you're the one good reason
You're the only girl, that I need
'Cause you're more beautiful then I have ever seen,
Oh yeah
I'm gonna take this life and make it evergreen
