# We Can Try

## Between the Trees

What would you say if I
Told you that all I've thought about
Is you
Since you been gone
I wish some way, some how
I could turn this world right back around
And mend mistakes I made.So I could say to you that
I know thing aren't quite like what they used to be
Different faces, different places yeah.
We could try, oh yeah we could try.What would you say if I
Told you that I'm not givin' up
However long it takes
It's clear that things have changed
Since when we started
But we can't just walk away, babe.So I am telling you
That I know,
Thins aren't quite like what they used to be
Different places, different faces yeah
We could try, oh yeah we could try.I know, things aren't quite like used to be
Different faces, different places, yeah.
We could try, oh yeah we could try.I know, things aren't quite like what they used to be.
Different faces, different places, yeah
We can try, oh we can try.I know, things aren't quite like what they used to be.
Different places, different faces, yeah.
We could try, oh yeah, we could try
I know, things aren't quite like what they used to be.
Different places, different faces, yeah.
We could try, oh yeah, we could try
