

# Celebrate

## Empire of the Sun

Follow the simplest fact  
Girl you cheated through the breakin' way  
Fall through the love like I never loved  
Soberer than I've ever been Call me, hard to emerge yea  
Sittin' on the fire and waitin'  
All the things I have changed and Im afraid you  
Crossed an inch away We celebrate, we celebrate our love  
We celebrate our love  
We celebrate, we celebrate our love  
We celebrate our love Sorry, it touches a bad news  
What you wanted I say come on and go  
Louder, lookin' at all the fires  
I say anyway the inch took off Sorry, the angels had split sure  
Of the verge and washed away  
To fly is only one, all I ever said  
In a simple way We celebrate, we celebrate our love  
We celebrate our love  
We celebrate, we celebrate our love  
We celebrate our love We celebrate, we celebrate our love  
We celebrate our love  
We celebrate, we celebrate our love  
We celebrate our love 'Cause for real it looks like youre in the dark  
Bount to be upon a star  
Imagine how youd feel  
Here's we're feeling lost We celebrate, we celebrate our love  
We celebrate our love  
We celebrate, we celebrate our love  
We celebrate our love We celebrate, we celebrate our love  
We celebrate our love  
We celebrate, we celebrate our love  
We celebrate our love
