

# Alone

## This Mortal Coil

Advisory - the following lyrics contain explicit language:

Alone with too much generosity  
A theater mask of hostility attracts  
Assaults occur infrequently  
And those who come, to conquer need strengthBut damage accumulates  
Moving him to tears  
Retain the sense of humorRetain a sense of humor  
Retain a sense of humor  
Retain the sense of humor  
Retain a sense of humor
