Oh Yes

Nasty Jack

Okay, get up, get up
DipSet, Juelz Santana, Heatmakerz
I think this the one right here
Everybody, come on, get up, he's movin' again
I'm like, oh yes
I'm nice, wait Mr, Mr
Still pitching, weight
Still flipping, weight, yeah
So come fuck with the boy
I'm still pumping the boy
I'll still dump on the boy
Blue steel pump to the boy
I'm Mr. Postman
Also Mr. Toastman
I'm yellin', wait
Yeah, I'm sellin', weight, hey
I keep my chick on smash like a muhfucker
Thick lips, hips, tits, ass like a muhfucker
I get big chips, cash like a muhfucker
I don't wait, nope, I won't wait, yeah
I explore and cruise
Islands and shores that's new
Bring the boat out, smoke out
Watch the water move
I'm a water dude
Jet skis, water pools
Surfing the wave
I'm hurting the wave, yeah
Like, Cowabunga, dude
This forty cali-caliber
Cowabunga you
Bump you like how a bumper do
I'm on the corner
Pumpin' like how a pumper do
What, that weight
Yup, that weight
Ay, oh yes
Yae, oh yes
Say, oh yes

Wait a minute this the this-the-this
This the jam, yep
Put your hands up
And just wave
And just wave
Ay, oh yes
Yae, oh yes
Say, oh yes
Wait a minute this the this-the-this
I'm Mr. Postman
Also Mr. Toastman
Oh, man wait
Oh, man wait
I'm Mr. Postman
Also Mr. Toastman
Oh, man, I'm back
Oh, man, I'm back
I'm back, oh yes
I'm crack, wait Mr, Mr
Sorry about the wait
Sorry I made ya wait
I can't let my peeps down
I can't let my seed down
They need me out there, yeah
I can't let the streets down
I gotta do it B I
G now, I see now
I couldn't wait
Nope, I couldn't wait
Plus the ladies love the kid
Plus the babies love the kid
Could it be I'm from the eighties
They know what I'm up against
Call me a grinder
Call me a survivor
Why should I wait
How could I wait, no
Plus I'm a sex symbol
That'll make your bitch bed tremble
Floor shake, bar rock, hard cock
Hit it left once, right twice, work the middle
Stroke her wait
Then I smoke a weight
Ay, oh yes
Yae, oh yes

Say, oh yes
Wait a minute this the this-the-this
This the jam, yep
Put your hands up
And just wave
And just wave
Ay, oh yes
Yae, oh yes
Say, oh yes
Wait a minute this the this-the-this
Oh yes
Wait Mr, Mr
Wait
Wait
Oh yes
Oh yes
Oh yes
Wait a minute this the this-the-this
