

Oh Yes

Nasty Jack

Okay, get up, get up
DipSet, Juelz Santana, Heatmakerz
I think this the one right here
Everybody, come on, get up, he's movin' again
I'm like, oh yes
I'm nice, wait Mr, Mr
Still pitching, weight
Still flipping, weight, yeah
So come fuck with the boy
I'm still pumping the boy
I'll still dump on the boy
Blue steel pump to the boy
I'm Mr. Postman
Also Mr. Toastman
I'm yellin', wait
Yeah, I'm sellin', weight, hey
I keep my chick on smash like a muhfucker
Thick lips, hips, tits, ass like a muhfucker
I get big chips, cash like a muhfucker
I don't wait, nope, I won't wait, yeah
I explore and cruise
Islands and shores that's new
Bring the boat out, smoke out
Watch the water move
I'm a water dude
Jet skis, water pools
Surfing the wave
I'm hurting the wave, yeah
Like, Cowabunga, dude
This forty cali-caliber
Cowabunga you
Bump you like how a bumper do
I'm on the corner
Pumpin' like how a pumper do
What, that weight
Yup, that weight
Ay, oh yes
Yae, oh yes
Say, oh yes

Wait a minute this the this-the-this

 This the jam, yep

 Put your hands up

 And just wave

 And just wave

 Ay, oh yes

 Yae, oh yes

 Say, oh yes

Wait a minute this the this-the-this

 I'm Mr. Postman

 Also Mr. Toastman

 Oh, man wait

 Oh, man wait

 I'm Mr. Postman

 Also Mr. Toastman

 Oh, man, I'm back

 Oh, man, I'm back

 I'm back, oh yes

 I'm crack, wait Mr, Mr

 Sorry about the wait

 Sorry I made ya wait

 I can't let my peeps down

 I can't let my seed down

 They need me out there, yeah

 I can't let the streets down

 I gotta do it B I

 G now, I see now

 I couldn't wait

 Nope, I couldn't wait

 Plus the ladies love the kid

 Plus the babies love the kid

 Could it be I'm from the eighties

 They know what I'm up against

 Call me a grinder

 Call me a survivor

 Why should I wait

 How could I wait, no

 Plus I'm a sex symbol

 That'll make your bitch bed tremble

 Floor shake, bar rock, hard cock

 Hit it left once, right twice, work the middle

 Stroke her wait

 Then I smoke a weight

 Ay, oh yes

 Yae, oh yes

Say, oh yes
Wait a minute this the this-the-this
 This the jam, yep
 Put your hands up
 And just wave
 And just wave
 Ay, oh yes
 Yae, oh yes
 Say, oh yes
Wait a minute this the this-the-this
 Oh yes
 Wait Mr, Mr
 Wait
 Wait
 Oh yes
 Oh yes
 Oh yes
Wait a minute this the this-the-this
