

# Time Between

## The Byrds

Don't say you love me  
Don't say you care  
You're so far away  
Telephone communication  
Only a three minute elation  
When I hear your voice Through love and trust it's gonna work out fine  
The only pain I feel is all this time between  
You and me, you and me All the days have turned to years  
Only emphasize my fears  
Since you said goodbye  
I can hear your voice at night  
I can read the words you write  
It's only love Through love and trust it's gonna work out fine  
The only pain I feel is all this time between  
You and me, you and me
