Smokin Drink (feat. Problem)

Wiz Khalifa

(Smoking drinking, smoking drinking...)

I've been smoking, I've been drinking
I don't know what I was thinking
I've been high all weekend
Drunk as fuck but still tweaking
So high I can't hear nobody
I can't even feel my body
Gon' need a paramedic prolly
She off that cookie and a molly

This remind me of that mafia
Getting bread now I'm popular
If you hating keep it on the D-low
Gotta shout out to my younging P-Lo
In the club and we smoking pre-rolleds
Want me in your club need a couple zeros
Bands will make us hold up
Plans, roll up all them grams

In my new car, in my new car
See my new chain say I went too far
See my watch facing that's too hard
When I put gold in my 24
I did it just to match my pinky
And prolly so these fÃ¼ck niggas can see me while I'm

(Smoking drinking, smoking drinking...)

I've been smoking, I've been drinking
I don't know what I was thinking
I've been high all weekend
Drunk as fuck but still tweaking
Damn bro I'm fucking fried
Say you high as me, you're a fucking liar
Weed so strong it make you cough
Teeth grinding, rolling heavy tryna shake it off
Sucker shit is hella corny
Molly got me hella horny
FÃ¼ck it let these bands play

Bet the bitch do what these bands say
Damn there goes your baby momma
Looking like she wanna Problem
FÃ¼ck it I'ma give her some
You never let her out so I'ma make her cum

All over this damn place
Pop popping like champagne
Pop popping like drive-bys
You can't connect to my Wi-Fi
I'm sky high, look at me
Man fuck these niggas
Lemme get back to

(Smoking drinking, smoking drinking...)
