

Return to Paradise

Nat King Cole

Come, my love, with me
Across the sea.
Return to paradise. All in life worthwhile
Is on that isle.
Return to paradise. BRIDGE:
Velvet moon above
Evil turns to love,
Love evermore. Come with me and find
Your peace of mind.
Return to paradise. (Pick up at Bridge)
Velvet moon above
Evil turns to love,
Love evermore. Come with me and find
Your peace of mind.
Return to paradise. TAG: Return to paradise.
