## B2ST ě¹,ìŠ¤íŠ„

Shock, shock  
Shock, shockWelcome to my world  
Headfirst to the earth  
With my sights on the goddamned kill switch  
I've become a fuse charged with attitude  
Fixed and dialated by my angerI have become a  
    Direct  
    I have become a  
        Current  
    I have become a  
        Direct  
    I have become  
    InsurgentI will be a power surge  
        Shock to the system  
        Electrified, amplified  
        Shock to the system  
    Shock, shockAlternate my wires  
        Heat my core desire  
    I will not stand for condemnation  
    I've become the volts to lead the revolt  
    Fuck with me ensues certain dangerI have become a  
        Direct  
        I have become a  
        Current  
        I have become a  
        Direct  
        I have become  
        InsurgentI will be a power surge  
        Shock to the system  
        Electrified, amplified  
    Shock to the systemI will be a power surge  
        Shock to the system  
        Electrified, amplified  
    Shock to the systemI am the power surge  
        I am the insurgent  
        Electrified, amplified  
        Electrified, amplified  
        Shock, shock  
        Shock, shock

Shock to the system
