Livin a Lie

Milk Inc.

You put on a fight
Blaming me the feeling's gone
But I know you ain't right
I never felt it all aloneI hide away my fear
Hoping no one will come near
'Cause they can't see me
When I'm trying to be meLivin' a lie
Tell me why I run and hide
Livin' a lie
You'll never know me deep insideI put on a smile
And try to pretend that I'm all right
'Cause it's only a while
'Till I can run into the nightI hide away my fear
Hoping no one will come near
'Cause they can't see me
When I'm trying to be meLivin' a lie
Tell me why I run and hide
Livin' a lie
You'll never know me deep insideYou put on a fight
Blaming me the feeling's gone
But I know you ain't rightI never felt it all alone
I hide away my fear
Hoping no one will come near
'Cause they can't see me
When I'm trying to be meLivin' a lie
Tell me why I run and hide
Livin' a lie
You'll never know me deep insideLivin' a lie
Tell me why I run and hide
Livin' a lie
You'll never know me deep insideI hide away my fear
Hoping no one will come near
'Cause they can't see me
When I'm trying to be meLivin' a lie
Tell me why I run and hide
Livin' a lie
You'll never know me deep insideLivin' a lie
Tell me why I run and hide
Livin' a lie

You'll never know me deep inside
