

Hero (feat. Christina Perri) [Deep Mix]

Cash Cash

I let my soul fall into you
I never thought I'd fall right through
I fell for every word you said
You made me feel I needed you
And forced my heart to think it's true
But I found I'm powerless with you Now I don't need your wings to fly
No, I don't need a hand to hold in mine this time
You held me down, but I broke free
I found the love inside of me
Now I don't need a hero to survive
'Cause I already saved my life
'Cause I already saved my life I fell into your fantasy
But that's all our love will ever be
I lost hope in saving you and me
You think I'm lost, falling apart
But your lies just made a stronger heart
My life is just about to start Now I don't need your wings to fly
No, I don't need a hand to hold in mine this time
You held me down, but I broke free
I found the love inside of me
Now I don't need a hero to survive
'Cause I already saved my life
Already saved my life
I already saved my life
Already saved my life
I already saved my life Now I don't need your wings to fly
No, I don't need a hand to hold in mine this time
You held me down, but I broke free
I found the love inside of me
Now I don't need a hero to survive
'Cause I already saved my life
Already saved my life
I already saved my life
Already saved my life
I already saved my life Now I don't need your wings to fly
