

Straight Ahead

Amy Grant

Day by day, dream by dream I fight to find the way to go
Every day opens a different door
Every dream shadows the one before
But slowly I can see the way you've made for me
Straight ahead, I can see your light
Straight ahead, through the dark
Straight ahead, there's no left or right
Straight ahead, to your heart
Carry on through the night when the road is hard to find
Lying lights tell me to turn around
Lying thoughts tell me I'm lost not found
But clearly I can see you're waiting there for me
Straight ahead, I can see your light
Straight ahead, through the dark
Straight ahead, there's no left or right
Straight ahead, to your heart
Straight ahead
(Straight ahead)
Straight ahead
(Straight ahead)
Straight ahead
(Straight ahead)
Straight ahead
(Straight ahead)
Straight ahead
(Straight ahead)
Straight ahead, I can see your light
(Straight ahead)
Straight ahead, through the dark
Straight ahead, there's no left or right
Straight ahead, to your heart
Straight ahead
