Homeland

Nolwenn Leroy

I drift back to you in my sleep
Where the fields are green and the air is sweet
Where the tide falls softly at my feet
Where colors dance and paint
A wild romantic masterpieceIt knows every secret, dream and fear
It unlocks memories of youngers years
No future sewn, no soil just sand
Tame me back my beloved homelandMy thoughts of you will never fade
Until my final breath, my dying day
This love for you will never change
It pulls like gravity,
My destiny calls out in serenadesIt knows every secret, dream and fear
It unlocks memories of youngers years
No future sewn, no soil just sand
Take me back my beloved homeland
