Happiness

The Fray

Happiness, is just outside my window
I thought it crashed blowing eighty-miles an hour?
Or is happiness a little more like knocking
On your door, and you just let it in?

Happiness, feels a lot like sorrow
Let it be, you can't make it come or go
But you are gone. not for good but for now
Gone for now, feels a lot like gone for good

Happiness, is a firecracker sitting on my headboard
Happiness was never mine to hold
Careful child, light the fuse and get away
Cause happiness throws a shower of sparks

Happiness, damn near destroys you
Breaks your faith, to pieces on the floor
So you tell yourself, that's enough for now
Happiness has a violent roar

Happiness, is like the old man told me
Look for it, but you'll never find it all
Let it go, live your life and leave it
Then one day, wake up and she'll be home

She'll be, she'll be home
She'll be home
She'll be home
She'll be home
She will be home
She will be home
Yeah,
She'll be home
She'll be home
She'll be.
