

Because Of You

Unwritten Law

Well, I see the color in your eyes
They set me free, they get me high
No sister, flower will be denied girl
The heat of affection, a fragile mind
Because of you, uh, now
My dreams came true
Because of you
Because of you, uh, now
My dreams came true
Because of you
And I feel the warmth in your touch
My ego trips, I can't get enough
That satisfaction lies in your hands girl
I wrote this song so you'll understand
Because of you, uh, now
My dreams came true
Because of you
Because of you, uh, now
My dreams came true
Because of you
Because of you, uh, now
Because of you, uh, now
Because of you, uh, now
My dreams came true
Because of you
Because of you, uh, now
My dreams came true
Because of you
Because of you
My dreams came true
Because of you
Because of you
Because of you
Because of you
