

A Letter to Both Sides (Soundtrack Version)

The Fixx

It's in my right more than my left
After you've taken from me
My freedom of speech or the light through my window
Just because you can't see Should be heard by the deaf
Seen by the blind
Those who are too frightened to lose, so This is a letter
A letter to both sides and
You're stuck in the middle
It's a middle with no left or right What do you feel? How would you say
To the men that sit at the top?
That you don't give a damn
But you still need your land, so This is a letter
A letter to both sides and
You're stuck in the middle
It's a middle with no left or right This is a letter
A letter to both sides and
You're stuck in the middle
It's a middle with no left or right Some don't have time to see man and his wrongs
Others just expect to lose
If you don't have the need to take hold of yourself
How can you expect to choose? So This is a letter
A letter to both sides and
You're stuck in the middle
It's a middle with no left or right So this is a letter
A letter to both sides and
You're stuck in the middle
It's a middle with no left or right So this is a letter
Letter
