

Hello

Toby Keith

I was hangin' out in Mexico, I had a beach front bungalow
I know I should have gone home but I was doin' that Caribbean thing
I was listenin' to a Spanish guitar, drinkin' Margarita's under the stars
With a pretty senorita when the telephone started to ring, guess who

Hello, honey, I was just about to

Hello, baby, I was gettin' ready

Hello, I know I should have called sooner

Oh, no, no

Hello, if you give me just a minute

Hello, don't you hang up till I'm finished

Hello, you're the only one I've ever, you know

Hello

Well, there was silence at the end of the line

I thought I'd give her till a quarter of nine

I forgot to call her back

And the party was a-rollin' at ten

See, I was workin' on Tequila and lime

I guess I never even noticed the time

I was dancin' the Iguana when the phone started ringin' again

And you know who

Hello, honey, I was just about to

Hello, baby, I was gettin' ready

Hello, I know I should have called sooner

Oh, no, no

Hello, if you give me just a minute

Hello, don't you hang up till I'm finished

Hello, you're the only one I've ever, you know

Hello

Hello, honey, I was just about to

Hello, baby, I was gettin' ready

Hello, I know I should have called sooner

Oh, no, no

Hello, if you give me just a minute

Hello, don't you hang up till I'm finished

Hello, you're the only one I've ever, you know

Hello, hello, hello

Hello, honey, I was just about to

Hello, baby, I was gettin' ready

Hello, don't you hang up till I'm finished
Hello
