

Live Or Die

Lana Del Rey

Baby, you're my Bugsy Malone and I'm your suicide blonde,
You can be my film noir star, I'm your queen of Saigon
If they don't think we're good together, baby, just forget 'em
And let bygones be bygones.

Baby, I can't do it alone, 'cause you're the one that I want,
You can be my Tony Montana and I can be your Pfeiffer,
Fire, I can take you higher, I can get you hooked on love and desire
Hello, pretty baby, you can be my cherry pie,
I know what you've done, I can be your alibi
So tonight are you gonna be my soldier?
Are we gonna be Bonnie and Clyde?
It's either live or die, boy
It's either live or die
Are you gonna be my lover?
Are we gonna be true love suicide?
It's either live or die, boy
It's either live or die

I be murderin' and murderin' 'em just for fun (hey!)
Murderin' and murderin' 'em one-by-one (hey!)
It's either live or die, boy
It's either live or die

So tonight are you gonna be my soldier?
Are we gonna be Bonnie and Clyde?
It's either live or die, boy
It's either live or die

Baby, you Sylvester Stallone and I could be your Adrian
With Thunderlips, I got you in the ring, just say my name again
Say my name again, say my name again
Baby, I can't do it alone, 'cause you're the one that I want
You can be my Tommy Mottola and I can be Mariah, tiger
Scream a little higher, I can get you high on love and desire
I sense Bonnie and Clyde was two kids

So good at being bad, bad, bad
I'm flirting with the check-out counter, baby
You put the money in the bag
So tonight are you gonna be my soldier?
Are we gonna be Bonnie and Clyde?
It's either live or die, boy

It's either live or die
Are you gonna be my lover?
Are we gonna be true love suicide?
It's either live or die, boy
It's either live or die
I be murderin' and murderin' 'em just for fun (hey!)
Murderin' and murderin' 'em one-by-one (hey!)
It's either live or die, boy
It's either live or die
So tonight are you gonna be my soldier? (hey!)
Are we gonna be Bonnie and Clyde? (hey!)
It's either live or die, boy
It's either live or die
Would you kill for me? Would you die for me?
Put your hands where I can see them
Put them in the air (yeah)
So tonight are you gonna be my soldier?
Are we gonna be Bonnie and Clyde?
It's either live or die, boy
It's either live or die
Are you gonna be my lover?
Are we gonna be true love suicide?
It's either live or die, boy
It's either live or die
I be murderin' and murderin' 'em just for fun (hey!)
Murderin' and murderin' 'em one-by-one (hey!)
It's either live or die, boy
It's either live or die
