

# Come Out Clean

## Jump, Little Children

I'm gonna do a series of em yeah just go ahead and roll it  
okay 1 2 3 4 12 3 4 1 2 3 4 oil painted portrait of still life  
a moving image with patience just lie still  
a chemical illusion break it down  
a moment fallen to pieces fallen down  
some things do last forever i won't go CHORUS  
i wanna live in a magazine  
i wanna go in cheap and come out clean  
i wanna live in a magazine  
i wanna be obscure with a girl obscene irresistible canvas rayon eyes  
imaginary invention can you tell?  
unbelievable likeness get closer  
a candy coated solution smells like film  
some things do last forever i won't go CHORUS don't try to take me down  
cuz you know I won't go  
I don't give a damn about it anymore  
I won't go o  
(repeat) a sentimental position hold that thought  
an emotional gesture let it go  
an enamel persona residue  
a scientific religion break it down  
some things do last forever I won't go CHORUS x2 some things do last forever I won't go
