

1000 Lives (To Die)

Stick Men with Ray Guns

This is for all you immortal mother fuckers

I have lived a thousand lives
have lived a thousand
life's a never ending shell
a walking flame
destroy human being
my rebirth
I have loved a thousand
I've lived a thousand lives
to die

beware of the serpent eye
to think
I don't play the fake election
to think
I misfire I cannot
be your face
death is the only life I thank
I have loved a thousand
I have lived a thousand
to die

I have lived a thousand lives
I have lived a thousand
life's a never ending shell
walking flame
destroy me
Its my rebirth
I have loved a thousand
I've lived a thousand lives
to die
