Sugar And Spice

The Searchers

Sugar and spice and all things nice
Kisses sweeter than wine
Sugar and spice and all things nice
You know that little girl is mine

Everybody stops and stares at my baby
When she's walkin' down the street
People passin' by just look at my baby
Cause my baby looks so sweet
You know she's

Sugar and spice and all things nice
Kisses sweeter than wine
Sugar and spice and all things nice
You know that little girl is mine

Every time we kiss I get that feelin'
Every time we simply meet
When I see you smile I get that feelin'
Cause my baby looks so sweet
You know she's

Sugar and spice and all things nice
Kisses sweeter than wine
Sugar and spice and all things nice
You know that little girl is mine

Never ever know a girl so lovely
Sweet enough to want to eat
Everybody's crazy 'bout my baby
Cause my baby looks so sweet
You know she's

Sugar and spice and all things nice
Kisses sweeter than wine
Sugar and spice and all things nice
You know that little girl is mine
