

The City Is At War

Cobra Starship

The city is at war, playtime for the young and rich
Ignore me if you see me 'cause I just don't give a shit
The city is at war, bless the young and rich
With designer drugs and designer friends
The city is at war, playtime for the young and rich
Ignore me if you see me 'cause I just don't give a shit
The city is at war, bless the young and rich
With the designer drugs and designer friends
Here's how it goes, it's about who you know
If you got money, you get in for free
Get on your knees, if you want to reach the top
The party never stops, never stops, don't stop, don't stop now
Come on, stick around and see how it ends
Get the money and run, meet me at the parking lot
Bang, bang, shoot 'em up, yeah
The city is at war, playtime for the young and rich
Ignore me if you see me 'cause I just don't give a shit
The city is at war, bless the young and rich
With the designer drugs and designer friends
This little girl was alone in the world
Until she found a way to get a fix for free
Oh, pretty please, it breaks my heart to see, another tragedy
She finally got her picture on TV
Come on, live it up while you can
We all lose in the end, no, you don't get another shot
Bang, bang, shoot 'em up, yeah
The city is at war, playtime for the young and rich
Ignore me if you see me 'cause I just don't give a shit
The city is at war, bless the young and rich
With the designer drugs and designer friends
The city is at war
The city is at war
The city is at war, war, war
Bang, bang, shoot 'em up, shoot 'em up, yeah
Bang, bang, shoot 'em up, shoot 'em up, yeah
Bang, bang, shoot 'em up, shoot 'em up, yeah
Bang, bang, shoot 'em up, shoot 'em up, yeah
