SHE'S QUESTIONING HER FAITH!

SHE'S THINKING OF LEAVING THE CHURCH!

WOW!

RRRGH!..BOY..THIS IS POWER!

Avery Storm:

I got two whole tears in a bucket

And if my plans fall through then fuck it. Naaaaw

Way to much right here is at stake.

I AM INVINCIBLE!

I AM UNSTOPPABLE!

Wale:

Straight renegade, penetrating minds

Taking my time, let me levitate

Yall can't ever fade that

I don't ever lack shit

I aint ever ask for nothin to make it right here.

Yall all passe, stuck up on last year

The way a nigga see it you lil niggas is _____

Yeah, I got felipe ____ flow

See I slept now atleast yall know

I live by the code, fuck bitches, love queen so

You don't gotta wonder what I got up on my team

Got a pocket full of cream, my moccasin's clean

Im playin for the green shawty ima team pleaser

Ima team player, I aint tryna be no king

Just tryna be a legend for a nigga hit 3....

0, the board CEO

They disregard me, i guess they all got egos

They all need attention, they call me and _____

The Roq to a ____, they all believe me tho
And even with that, I be the rap Don Cheadle
Its hotel Rwanda, boast got cause I got-ta
Spit that raw shit, yall some talkative condoms
(Fall back)

Avery Storm:

I got two whole tears in a bucket
And if my plans fall thru then fuck it. Naaaaw
Way to much right here is at stake.

I AM INVINCIBLE!

I AM UNSTOPPABLE!

Wale:

Who woulda thought that the little running back
With the dickerson mask
Would be getting in the ass of opponents
Witness what i'm showing
And I don't need no center or guard, to get him open
(Hold up) I used to run powers and draws
Now im trickin with the strippers, the power of the draws
And I don't run counters no more
But I took a fly route to an opposite shore
A real life viking, shout out to saint paul
