

Helicopter

Andy Partridge

Oh heli Oh heli
I'm crouching here with a telescope in hand
Looking across our lego land
I really think it's about time that she came down
She a laughing giggly whirlybird
She got to be obscene to be obheard
I really think its about time that she came downAnd I object to all the air male that she pick up
The air male that she pick up
The air male that she pick upWhen she's up there twirling round
Just like a helicopter - copter
She's landing on the town
It's about time that I stopped her - stopped her
When she's up there twirling round
Just like a helicopter - copter
Oh heli - Oh heliNow she's away from convent she's gone wild
Grown from a nice young lady to a child
I really think its about time that she came down
She a laughing giggly whirlybird
She got to be obscene to be obheard
I really think it's about time that she came down
