One Good Reason

The Alan Parsons Project

Gimme one good reason why I should listen to you?
I need one good reason why I should do
What you want me to?
Gimme some air or I can't breathe
I can't see so I can't believe
Show me just a little more
Woh oh gimme one
Gimme one good reason why I should listen to you?
I need one good reason why I should do
What you want me to?
Under your thumb ain't no place to hide
I can't choose and I can't decide
Gotta be a better way
Oh oh gimme one, gimme one
I keep makin' the same mistake
No win no lose no give and no take
I'm just playin' a simple game
And I don't wanna ask you again and again
For one good reason why I should listen to you
Just one good reason why I should do
What you want me to?

Under your spell ain't no place to be
Don't mess around with a fool like me
Help me just a little more
Woh oh gimme one, gimme one
Well I keep making the same mistake
No win no lose no give and no take
And I'm just playing a simple game
And I don't wanna ask you again and again
For one good reason why I should listen to you
Just one good reason why I should do
What you want me to?
Pull on the string you hold in your hand
Making me jump like a one man band
Gotta be a better way
Oh oh gimme one
(One good reason)
One good reason

(One good reason)
One good reason
