

# One Good Reason

## The Alan Parsons Project

Gimme one good reason why I should listen to you?

I need one good reason why I should do

What you want me to?

Gimme some air or I can't breathe

I can't see so I can't believe

Show me just a little more

Woh oh gimme one

Gimme one good reason why I should listen to you?

I need one good reason why I should do

What you want me to?

Under your thumb ain't no place to hide

I can't choose and I can't decide

Gotta be a better way

Oh oh gimme one, gimme one

I keep makin' the same mistake

No win no lose no give and no take

I'm just playin' a simple game

And I don't wanna ask you again and again

For one good reason why I should listen to you

Just one good reason why I should do

What you want me to?

Under your spell ain't no place to be

Don't mess around with a fool like me

Help me just a little more

Woh oh gimme one, gimme one

Well I keep making the same mistake

No win no lose no give and no take

And I'm just playing a simple game

And I don't wanna ask you again and again

For one good reason why I should listen to you

Just one good reason why I should do

What you want me to?

Pull on the string you hold in your hand

Making me jump like a one man band

Gotta be a better way

Oh oh gimme one

(One good reason)

One good reason

(One good reason)

One good reason
