

# Pain In der Arsch Pocket Full of Cash

## Turbonegro

A cold Sunday night  
No hope was left in sight  
I was broke without hope  
He gave me the eye, I said hi And now I'm gonna die  
Pain in der arsch  
Pain in der arsch  
Pain in der arsch  
Pocket full of cash I just wanted to live for today  
I wanted fun but I couldn't pay  
I met an old man, I sold him a fuck  
Now I'm so sore, I can hardly walk And now I'm gonna die  
Pain in der arsch  
Pain in der arsch  
Pain in der arsch  
Pocket full of cash Hey, hey, hey, hey I took it up the arsch  
For a small amount of cash  
Now I've stared losing weight  
And I don't feel too great And now I'm gonna die  
Pain in der arsch  
Pain in der arsch  
Pain in der arsch  
Pocket full of cash Pain in der arsch  
Pain in der arsch  
Pain in der arsch  
Pocket full of cash
