Key of Noise

George Lynch

It only hurts for a second, see you
but it cant be, it cant be.
I see her tryin' to clown on me
but it won't be
no it won't beAnd everythings for a reason she said
that you told me
yeah you told me
I gave you all of the best of my life
and you owe me, you're gonna owe me(not sure of this line)
I know you're trying to (something) me
ooh not this time
I know you're out to get me
And the band played on
in the key of noiseApathetically taking the blame
you blamed me
yeah you played me
that was only yesterday
but you left me
(something)
