

# Give Me Something

Alex & Sierra

[Verse 1]

Tonight you can leave your mark  
No one's watching in the darkness  
Kiss me on the neck make a beautiful scar anywhere you'd like  
No regrets, all bets are off  
We don't need a little talking  
Listen to the madness in my heart  
Can you read my mind?  
It could be a lonely world  
I want forever times forever[Chorus]

So give me something I can't live without  
Leave the sound of your name on my mouth  
Give me something to keep dreaming about  
All night all night, oh yeah  
Give me something I can't live without[Verse 2]

With the hours only 24  
Every second's a revolving door  
I'm gonna hold on to your heart for sure  
Till the end of time  
Oh, it could be a lonely world  
I want forever times forever[Chorus]  
So give me something I can't live without  
Leave the sound of your name on my mouth  
Give me something to keep dreaming about  
All night all night oh yeah  
Give me something  
All night all night ohh[Bridge]  
Give me something  
I can't live without  
Give me something  
I can't live without[Chorus]

Give me something I can't live without  
Be the sound of your name on my mouth  
Give me something to keep dreaming about  
All night all night oh yeah  
Give me something  
All night all night oh yeah  
All night all night oh yeah
