

# Active (feat. Dream Mclean)

## Professor Green

I'm active  
Went out and I came home with an actress  
I told her I was done with all the madness  
Then she found a [?] under my mattress  
I'm active, I'm active, I'mActive, oof  
That back squat was doing backflips  
I'm wavey, I'm Swayze, I'm Patrick  
Tennis, tennis, tennis, tennis racket  
I'm active, I'm active  
I'm PG, I'm dead cool  
Vodka and Red Bull  
Superhero, Deadpool  
Learn a lesson, boy, get schooled  
Crush you out, I'll X you  
Fuck you and my ex too  
I ain't talking about my ex-wife  
I'm unique, I'm special  
I'm active  
Tennis racket, racket, racket, racket, racket  
Tell me, whose coat is that jacket?  
And then tell me whose [?] is that packet?  
Cause I'm active, I'm active  
I'm active, I'm back  
Crazy, I'm crazy  
[?] to a flap through a cat flap  
Then took a piss in the catnip  
I'm that sick, three birds  
One rubber, Jimmy hat trick  
And I'll be this way till I'm a geriatric, I'm active, I'm
